<input type="text" value="Short Course NWP"/>	<input type="text" value="2022"/>	<input type="text"/>

Add

Education/Professional Details (Contd...)

How this course will help you in your work/organization? Please describe below :*

Help my department in taking space application projects

Which electives (Elective-I & Elective-II) in Module-II of the course you wish to choose :

Elective-I * Agricultural & Soil Resource Management Forest Resource & Ecosystem Analysis Urban & Regional Studies Advances in Image Analysis & Geoinformatics

Elective-II * Satellite Hydrology & Water Resource Management Geological Remote Sensing Marine and Atmospheric Remote Sensing Natural hazards and Disaster Risk Management

(Note : You have to choose one elective in Elective-I and one elective in Elective-II from the list given above. In each subject, there are 4 papers each in internal & external examinations. The candidate has to appear and pass all the exams of Theory and Practical. The pilot project work of 3 months has to be undertaken in that discipline only. Once an elective has been chosen, the candidate cannot switch over to another elective after one week or middle of semester.)
